As an experienced farmer, you know that the risks associated with operating a farm business can be very high due to:

- **Fatal injury of live stock**
- **Employers and public liability risks due to slurry pits, ponds, quarries or falling trees**
- **Transportation of livestock, equipment or raw materials**
- **Damage to outbuildings, agricultural machinery & equipment**

McGrady Insurance has extensive experience working with a variety of farm types throughout Northern Ireland.

Our knowledgeable executives will talk through your specific requirements and tailor cover, to secure the correct insurance deal for you.

We also provide a full claims handling service, staffed by local people who will help you when things go wrong.

Contact McGrady Insurance today and let us get the deal that gives you the widest coverage for your farm business.
